Description

Bonvue Deluxe Heated Display Cabinet 1200x800x1350 - H-SLP840C

The robust (H-SLP840C) heated cake display unit from catering equipment giant, Bonvue is one of our best heated display units in stock with a 975/10 power (W/A) and dimensions set at 1200x800x1350mm.

Built to be proudly displayed in bakeries, takeaway stores, pizzerias and fast food centres – this Bonvue cake display is better fitting for pastries like pies and sausage rolls, pastas, soups and other meat-based products or ingredients.

Coming packed inside a stainless-steel case with a triple glazed glass front for protection, secop compressors for function, LED lighting for visibility and an extra large display surface for perfect presentation to your customers or patrons.
