Description

HF200 S/S Bar Freezer Heavy Duty Commercial Use

The HF200 SS packs all the interior cool space youâ€™ll need for your kitchenâ€™s ingredients and frozen foods.

This solid, heavy duty bar freezer is made for any kitchen and workspace, especially within large restaurants, bars or clubs. This tough freezer can fit up to 118.5 litres and is built with an exterior stainless-steel frame for durability and long-term use. This unit is made with an interior Zanussi compressor for power, digital temp controls, a readout and reversible doors.

For any freezing or cooling needs, whether itâ€™s for frozen meats or veggies, ingredients, beverages or ice, the HF200 is one of the best fridges to do the job.
