### Description

Fagor IKORE Concept 10 Trays Combi Oven CW-101ELLWS

A professional, configurable oven which stands out for its precision in cooking results thanks to its steam saturation system and effective climate management. It certainly marks a before and an after in the way we cook. The iKORE generation is autonomous. It includes a system of intelligent recipes and additional cooking process features, and can even be controlled remotely. And when you have finished, we guarantee maximum hygiene thanks to the innovative washing system.
