Description

All Stainless Steel Workbench with Splashback and Solid Undershelf - WBB7-1200/A
1200mm Wide

Every kitchen has a workbench and the WBB7-1200/A stainless steel workbench is no exception. This bench is ideal for support, whether it ' s a place to lean on while making your delicious meals or moving your stock, equipment or clutter for cleaning and maintenance.

This traditional bench comes with a splashback attachment to mitigate kitchen mess and keep your work area clean. It also has a solid undershelf to store extra stock like pots, pans and other equipment.

This unit is designed for simple and quick assembly and comes with an easy to follow instruction manual and tools. Due to its immense size the WBB7-1200/A is suited to larger establishments and restaurant kitchens.

- Splashback and underbench are attached to the unit.
